

## **Not-for-Profit Market Guidelines and Registration Form**

Thank you for your interest in participating in our not-for-profit program at the Dubuque Farmers Market. This space is offered at no cost to approved not-for-profit organizations. This space will be assigned by the market manager. Please read these Market Guidelines carefully. We recommend a copy of these guidelines be made available to those operating your booth.

Please fill out the registration form (the form must be signed) and return it to Dubuque Main Street for approval and date assignment. The Market Manager will call or e-mail you with your date assignment.

- Booth space is provided for Not-for-Profit entities free of market booth fees for those intending to promote and
  educate the community about the mission of the Not-for-Profit. This booth is not provided to entities looking to
  sell nor request donation for a product. Those looking to sell must register as an occasional vendor. Any item an
  organization would like to give away must be approved by the Dubuque Farmers Market Committee prior to
  scheduled market day.
- 2. You must notify the Market Manager at 563-588-4400, if you will not be setting up on your assigned day by noon the Wednesday before your assigned Saturday. Any organization failing to appear or call will not be rescheduled for the 2023 season.
- 3. Market hours are from 7:00 a.m. to 12:00 p.m. (May September), 8:00 a.m. to 12:00 p.m. (October), rain or shine. You may set up an hour before market opening. Any vehicles must be removed from the closed section of the street by 6:45 a.m. (May-September) / 7:45 a.m. (October). Please have your area cleaned up by 12:30 p.m., as this is when the street is re-opened to traffic. Take any and all trash and/or recycling items with you.
- 4. Your organization needs to provide your own tables, chairs, display, signage, and/or canopy. If it's windy, you will need weights to hold the canopy legs down.
- 5. If you park in a metered parking stall outside of the barricaded area, please be sure to pay the appropriate fee, as the City does enforce meters on Saturday mornings.
- 6. There are 26 Saturdays during the 2025 Season. We limit individual, not-for--profit organizations attendance to one date per year to ensure all interested not-for-profits can participate.
- 7. The Market Manager and Farmers' Market Committee will have final approval on all issues. We want everyone's experience to be fun and educational.
